## INTRO

## A

Yesterday the odds were stacked in favor of my expectations,

Flying above the rest, never falling from the nest.

Tuesday came and went and now I'm in a little situation.

Maybe it's for the best, I can live alone I guess.

## CHORUS

Maybe I can stand a—lone.

Maybe I'm stro—ng as sto—ne,

Even though the bird has flown.

[chords repeat 2 lines]

Maybe he'll fly on home.

## A

Forgive if I'm keeping you apart from better conversation.  
I'm numb from all my doubt, trying to sort the whole thing out.  
Tell me that I'm smart enough to deal with all the information  
Spinning inside my head, every word he ever said.
